

One of the world's most beloved classics
returns for a very unique encore!

THE PROPHET TRILOGY

The Complete and Authorized edition of Gibran's Immortal Trilogy

by Kahlil Gibran & Jason M. Leen

Some books are destined for greatness even before the first word is written.

THE PROPHET by Kahlil Gibran is such a book. Translated into more than 100 languages, this beloved classic emerged from the primordial mist more than 75 years ago, bringing wisdom, comfort and compassion to every generation since.

And yet, the miracle of this book does not stop here, for it was intended to be the first in a trilogy of books.

Although Kahlil Gibran did not live to see *THE PROPHET TRILOGY* published in one edition, he fully realized during his lifetime that it would require three books in order to tell Almustafa's entire story. His private journals and letters clearly indicate that he knew the name of all three books and the general content that all three would contain as early as 1920, but it was

not until 1979, through the efforts of another man, that his dream finally became reality.

Now, within the pages of this historic edition, you can share Almustafa's complete story for the first time in English, as the three books containing Gibran's entire vision of the Prophet are united at last in *The Prophet Trilogy*.
